

YOUR COVER

The tables below show the benefits available to each type of member in each category. All benefits are per insured member, per plan year unless stated otherwise.

Please refer to your **Membership List** to view a breakdown of your employee categories. You can download an up-to-date Membership List from the **Employer Hub** by visiting employerhub.vitality.co.uk.

If a member chooses to attend a hospital outside your chosen hospital list, they will need to pay **40% of the cost** for treatment, diagnostic tests and scans (excluding consultant's fees).

CONSULTANT SELECT

Under the Consultant Select option, our consultant panel will choose a consultant for a member based entirely on their medical needs. The consultant will select the most appropriate hospital for their treatment.

We will only pay for treatment that we have authorised in advance.
